Why choose LiveAbility?

LiveAbility supports the provision of additional benefits for participants, such as:

- Personal growth, resilience, and wellness.
- Build an understanding of the value of social service, community involvement, and relationship development.
- Develop emotional awareness and self-control.
- Build capacity for social wellbeing.
- Tailored, interactive sessions.
- Self-control and emotional awareness
- Increased awareness of social norms and expectations and adaptive social competency.
- Using methods and programmes to successfully participate in their community and career path.
- Capacity building for seeking help in a community without needing continuous formalised support.

Why choose DLi?

Selecting a provider for someone you care about is a BIG decision, but with over 35 years of experience, there are a few things you may not know about us:

- Solution oriented – We never say no until we have exhausted all possibilities to provide you with the support you want.
- Consistency – DLi provides a regular and consistent team of support workers to meet your and your child's needs.
- Quality assurance - NDIS registered provider who maintains all required insurances and ensures all support staff have the relevant and current certifications and qualifications.
- Regular reviews – Your feedback is extremely important. That is why we check in with you to ensure we provide the best support possible.
- Safeguarding – A specialised safeguarding team, including a nurse, psychologist and lawyer, reviews our daily operations to ensure we provide individualised supports, respect your individual values, uphold your privacy and confidentiality, and facilitate your independence.
